Mother's Day Knitting Bowl

Show your mom how special she is with a gift that's as creative as she is! A hand-painted knitting bowl with a sweet sentiment is the perfect gift this Mother's Day.

- ◆ Wipe bowl with damp sponge to remove bisque dust.
- ◆ Freehand floral design on bowl or trace and transfer pattern using clay carbon paper.
- ◆ Pour small puddles of all the colors on palette with the exception of Black.
- ◆ Add a little water to each to create a watercolor consistency.
- ◆ Brush one coat of color on florals and leaves without being too concerned about following the pattern lines. Keep it loose and with a watercolor appearance. Let dry.
- ◆ Load the No. 1 Liner with Cobalt Jet Black and loosely brush fine outlines around petals and leaves.
- ◆ Let dry.
- ◆ Transfer phrase "Mom, you are the string that holds us together..." onto bowl with clay carbon paper.
- ◆ Trace over wording with Black French Dimensions.
Let dry.
